Lean Six Sigma **Green Belt**

Virtual or Onsite Delivery

Open Enrolment Calendar

Fully Accredited

train@smallpeice.com

Introduction

Implementing Lean Six Sigma is the proven strategy to achieve process excellence and optimise customer satisfaction. The focus on delivering improvement projects results in quantifiable benefits and drives positive culture change in the way companies and teams operate.

The **Green Belt** training programme provides a bespoke toolkit to tackle process-based problems by identifying, analysing and eradicating the root causes of errors and variations. Structured problem solving and statistical techniques are blended with change and project management skills to develop high performing and confident business improvement teams and leaders.

Programmes include:

- ▶ Open enrolment calendar with choice of virtual training dates.
- ▶ In-company programmes for group training at your company site.
- ▶ Interactive delivery style with case study team exercises to bring alive the technical content and showcase applications to transactional projects.
- ▶ Extensive course materials hub including user-friendly Lean Six Sigma toolkit; consolidation learning via supplementary e-learning modules; dozens of templates and proformas ready to use for your project.
- ▶ Industry recognised accreditation standards via Smallpeice or our external partnership with the British Quality Foundation.
- ▶ Optional add-on coaching packages to guide and fast-track you through your project.

Excel based (with Minitab as an optional add-on):

At Green Belt level, all of the data analysis and graphical presentation can be easily achieved using Excel. This makes the training programme very inclusive for companies who have not invested in Minitab licenses. But for those who have Minitab available – the optional add-on module will ensure you can use the software as the alternative to Excel.

Cost

The cost per participant for the Green Belt virtual programme is £1750+VAT. This fee is fully inclusive of:

- ▶ 7 days of live training via MS Teams
- ▶ Access to materials hub
- ▶ The full accreditation process: exam plus project assessment and certification

How to Book

Training Fee

Virtual programme

The cost per participant is £1750+VAT.

Fees are fully inclusive of:

- Live training via MS Teams
- Access to materials hub
- The full accreditation process: exam plus project assessment and certification

Options

Coaching Support

This can be provided via a series of 3 x 1-hour 1-to-1 sessions, delivered via MS Teams. These can be scheduled to suit the progress of your project. The cost of the coaching package is £495+VAT.

Optional Modules

The cost per participant for attending the optional modules on Minitab and Measurement System Analysis is £195+VAT per module.

Accreditation via British Quality Foundation (BQF)

The option for accreditation via the internationally recognised body of the British Quality Foundation is available for an additional fee of £250+VAT.

Booking Process

Please email Smallpeice via train@smallpeice.com with your enquiry/ requirements.

Our experienced Lean Six Sigma booking team will then send you a booking form. Following enrolment, we will onboard participants to the programme platform which will provide a detailed menu of activities and preparation.

Payment Terms

- An invoice will be issued following receipt of a confirmed booking.
- Payment is due 30 days from the invoice date.
- Payment can be made via credit card or bank transfer. Payment details can be found on the invoice.

Cancellation Terms

If you should have to cancel a registration, the following options are available:

- Send a substitute delegate at no additional charge
- Incur a cancellation fee based on the following timescales:
 - If you cancel prior to 30 working days before the course you will be charged a cancellation fee of 20% of the course fee
 - If you cancel less than 30 working days, but prior to 10 working days before the course, you will be charged a cancellation fee of 50% of the course fee
- We regret that we cannot accept cancellations that are received less than 10 working days before the course start date.
- Please confirm your cancellation in writing.

Smallpeice Enterprises reserves the right to cancel courses if necessary. Delegates will be given advance notice of any such changes. Please do not send payment with this form – an invoice will be despatched.
